## Importing References required for working with database:

1. Click on Project → References...

2. Select “Microsoft ActiveX Data Objects 2.0 Library → Click OK

# Creating Database And Creating Table:

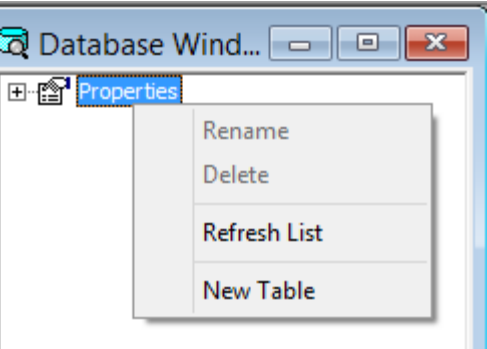

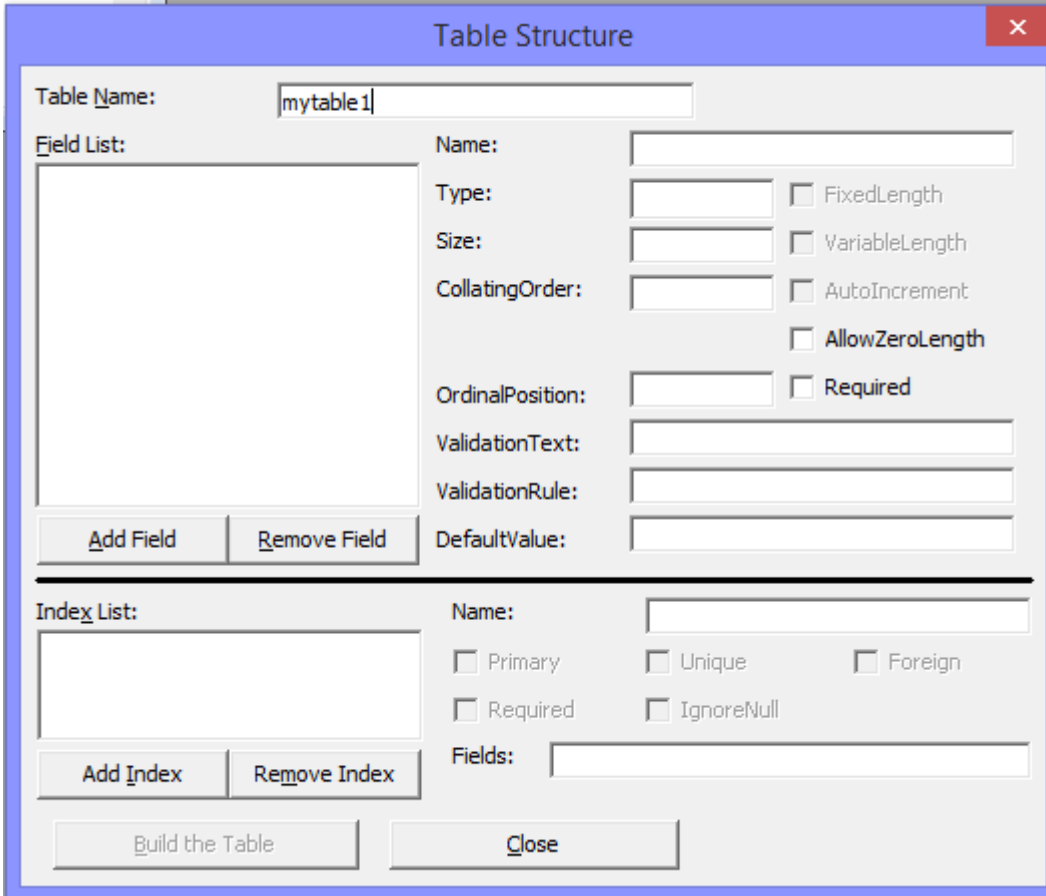

- 1.Click on Add-Ins → Visual Data Manager
- 2.Click File → New... → Microsoft Access → Version 2.0 MDB

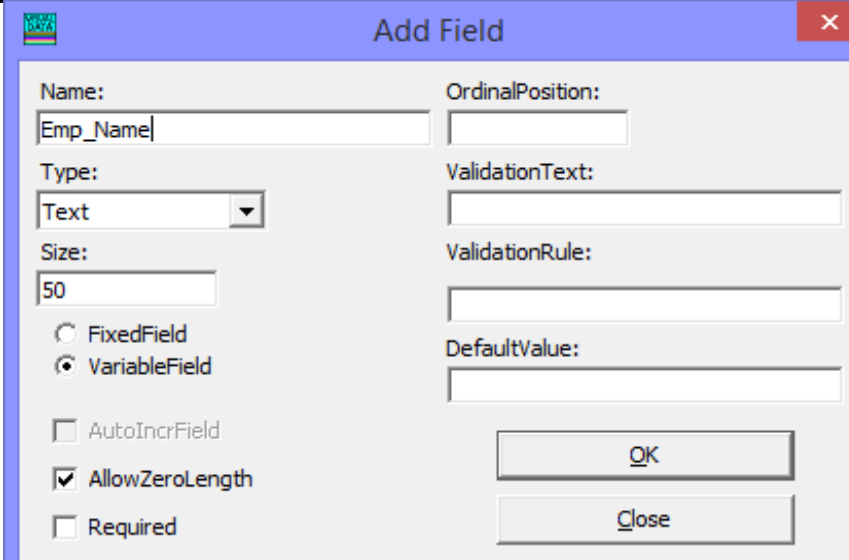

3.Give File Name and save it.

5.Give the Table Name  
Next Click on Add Field

4.Right Click on Properties  
and select New Table

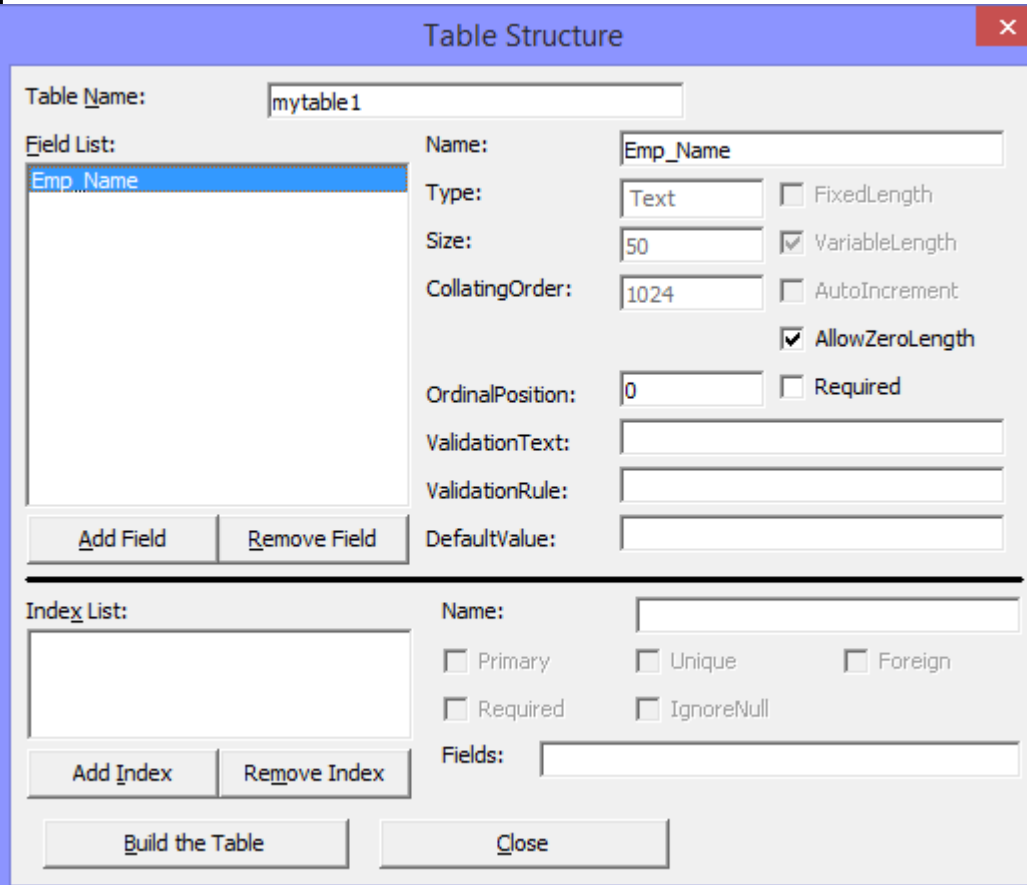

6. Give the Variable Name ,  
Type, Size and other attributes  
then Click on OK

The 'Add Field' dialog box is shown with the following fields and values:

- Name: Emp\_Name
- OrdinalPosition: (empty)
- Type: Text (selected from dropdown)
- ValidationText: (empty)
- Size: 50
- ValidationRule: (empty)
- Default Value: (empty)
- FixedField: ☐
- VariableField: ☒
- AutoIncrField: ☐
- AllowZeroLength: ☒
- Required: ☐
- Buttons: OK, Close

The 'Table Structure' dialog box is shown with the following fields and values:

- Table Name: mytable1
- Field List: Emp\_Name (selected)
- Name: Emp\_Name
- Type: Text
- Size: 50
- CollatingOrder: 1024
- OrdinalPosition: 0
- ValidationText: (empty)
- ValidationRule: (empty)
- DefaultValue: (empty)
- FixedLength: ☐
- VariableLength: ☒
- AutoIncrement: ☐
- AllowZeroLength: ☒
- Required: ☐
- Buttons: Add Field, Remove Field

---

- Index List: (empty)
- Name: (empty)
- Primary: ☐
- Unique: ☐
- Foreign: ☐
- Required: ☐
- IgnoreNull: ☐
- Fields: (empty)
- Buttons: Add Index, Remove Index

---

- Buttons: Build the Table, Close

7. Add multiple fields in the  
same manner by clicking on  
Add Field Button

8. Once the table is build, double click on the table name to open the following box.  
You can Add, Edit, Delete etc with records.

The screenshot shows a window titled "VisData:F:\VB Project\Krishn\MYDATABASE1.MDB - [Dynaset:mytable1]". The window has a menu bar with "File", "Utility", "Window", and "Help". Below the menu bar is a toolbar with icons for various functions. A control panel contains buttons for "Add", "Edit", "Delete", "Close", "Sort", "Filter", "Move", and "Find". The main area is a form with the following fields and values:

Field Name:	Value (F4=Zoom)
Emp_Name:	Krishn Anand
Father_Name:	R.P.Gupta
Mother_Name:	Manju Gupta
Bank_Name:	Axis Bank
Emp_Code:	120123
Amt_Balance:	35000
Contact:	9641915955

At the bottom of the form, there is a navigation bar with a left arrow, a text box containing "1/7", and a right arrow. The status bar at the very bottom shows "Ready" on the left and "User: admin" on the right.
